

# ArgusEye AB Privacy Policy

## Introduction

ArgusEye AB is dedicated to best protect personal privacy through the protection of identity. This policy is founded on the consideration of confidential and secure processing of personal data in accordance with applicable laws.

## Protecting Your Data

ArgusEye shall ensure that:

- Personal data such as name, address, telephone number, or email address is protected.
- Payment information, including invoice details and bank account information, is secured.
- No personal data is sold to a third party.
- Information is accurate and retained for an appropriate duration.

Information collected by ArgusEye AB is required for entering into contracts or performing agreed-upon services. Personal and payment details are stored only when explicitly provided. This includes securing critical data such as names, addresses, telephone numbers, email addresses, and financial details like invoices and bank account numbers. Such information is collected solely with explicit consent during various interactions, including registrations, surveys, contract negotiations, or any service provision agreements. To reinforce our data protection efforts, ArgusEye AB employs trusted technological solutions, including HubSpot for marketing and customer relationship management, Microsoft Teams and Microsoft OneDrive for collaboration and document management, and encrypted emails to ensure secure communication channels. These tools play an important role in maintaining the privacy and security of the data we manage.

## Your Rights and Our Responsibilities

We recognize and uphold the rights of individuals to access, correct, or request the deletion of their personal data stored within our systems. ArgusEye AB is committed to retaining personal data only for as long as is necessary to fulfil the purposes for which it was collected, or as required by law, especially in relation to compliance with accounting standards. Requests for accessing, amending, or deleting personal data can be directed to [info@arguseye.se](mailto:info@arguseye.se), accompanied by a signed request and a verified copy of an identification document.

## **Continuous Improvement in Data Protection**

At ArgusEye, we are committed to continuous improvement in our data protection practices. New employees receive thorough training on our data handling policies, emphasizing confidentiality and data integrity. Ongoing training ensures our team stays informed about the latest in data security best practices and legal requirements. In the unlikely event of a data breach, we pledge swift and transparent communication with affected individuals, detailing the nature of the breach and our response measures.

By regularly updating and refining our Privacy Policy, ArgusEye aims to adhere to the highest data protection standards, securing the confidence of our clients, employees, and partners.
